Letter from the President

Dr. Larry Kramer

***An Avila Eagle
comes in for a landing.***

THE FUTURE OF AVILA COLLEGE has never been so promising.

Thanks to the hard work and gifts of the faculty, staff, students and friends of Avila College, and the efforts of all of the Avila/2000 volunteers, we have met the terms of the J. E. and L. E. Mabee Foundation Challenge Grant of \$500,000.

Announced July 12, 1991, the Mabee Challenge required Avila to raise matching funds of \$1,100,000 by July 9, 1992 in order to qualify for the \$500,000 grant. The grant will be used for the Campus Renewal component of Avila/2000 and fund new construction and renovation projects.

The entire \$6 million Avila/2000 campaign was scheduled to take three years. However, the Kresge Foundation offered Avila a chance to receive an additional \$350,000 by reaching the campaign goal by January 1, 1993. We are confident that this goal also will be achieved.

We are equally proud of the accomplishments of our student-athletes, both in the classroom and on the field or court. The opportunity to participate in intercollegiate athletics enhances and supports the educational mission of the college and the values we work to instill in our students.

The financial and volunteer support of our alumni and friends allow us to offer students quality higher education programs including nearly 40 undergraduate degrees and three graduate degrees on a comprehensive 50-acre campus. We were founded and remain sponsored by the Sister of St. Joseph of Carondelet. Here you will discover choice, direction, experience and success. At Avila, it's about you. And that's what college is meant to be.

Go Eagles!

About Avila College

WELCOME TO THE EXCITEMENT of Avila College athletics!

Student-athletes at Avila College receive an opportunity to attain a quality education and participate in a competitive athletic experience. Avila College's first athletic teams, women's basketball and volleyball, began competing in the 1960s. During the 1970s two more sports, men's soccer and men's basketball, were added. The 1980s brought intercollegiate teams in softball and baseball. Women's soccer is scheduled to begin competition in the fall of 1994.

Intercollegiate sports programs are an integral part of the educational and developmental offerings of the college. We believe in the opportunities for growth that participation on the field or court provides students.

We also value the spirit of community which is built through our six sport programs and the fellowship and sharing for those of us in the bleachers and on the sidelines.

Avila is proud to be a member of the National Association of Intercollegiate Athletics (NAIA), an organization dedicated to wholesome competitive sports in small colleges around the country. We value the contribution they make to the fulfillment of our student-athletes.

Our program benefits from the support and contributions of our friends. Please patronize our advertisers and consider membership in the Eagle Club.

Join the Avila family in its celebration of life through shared experiences such as these competitions.

Go Eagles!

AVILA COLLEGE IS A CATHOLIC, four-year, coeducational college with liberal arts and professional programs. It is situated on 50 rolling acres in suburban south Kansas City, Missouri. Avila College was founded in 1916 and is sponsored by the Sisters of St. Joseph of Carondelet.

From its modest beginnings, Avila has become a flourishing, comprehensive college. Undergraduate and graduate programs are offered through day and evening courses. Weekend intensive courses are also available. Founded as the College of St. Teresa, the college grew and expanded to a larger campus in 1963. It was at this time that the college name was changed to Avila to honor St. Teresa of Avila.

Avila College's commitment to excellence, to service of students and the community, to quality education of

spirit, mind and body, and to growth of the "whole" person is deeply rooted in the lives and beliefs of the founding Sisters of St. Joseph.

Students, faculty and staff at Avila College provide a supportive and caring, yet challenging, environment.

A strong emphasis is placed on integrating the liberal arts into all programs so as to prepare students for a lifetime of personal fulfillment and career growth. Carefully planned courses in the humanities, arts, natural and social sciences are designed to develop each student's ability to think critically, analyze written material and write and speak effectively. At Avila College, students acquire those skills necessary for success in a chosen career as well as preparation for graduate and professional studies.

The NAIA – Providing Balanced Athletics Programs for More Than 65,000 Student-Athletes

OVERVIEW

Throughout its history, the National Association of Intercollegiate Athletics (NAIA) has provided strong leadership for all aspects of intercollegiate sports. Since its introduction of intercollegiate championship basketball in 1937, the NAIA has maintained the highest standards while administering first-rate athletics programs.

Time and time again, the NAIA has stepped forward to address the important issues of the day — be it racial integration in the '40s and '50s or establishing the first women's championship program in 1980. The NAIA has not been afraid to enact changes while others have watched and waited.

In the past decade, presidents of the NAIA colleges and universities have assumed a position of responsible leadership. The NAIA's Council of Presidents, the organization's primary governing body, is comprised of 32 college and university presidents from all regions of the United States.

With its major emphasis on educational development, it was natural for the NAIA to further strengthen academic eligibility requirements in the mid-'80s. All NAIA participating student-athletes must maintain a certain grade-point-average (GPA) while accumulating credit hours for a declared academic degree. Unlike other associations, NAIA student-athlete academic eligibility is monitored on a semester-by-semester basis.

The All-America Scholar-Athlete program, a long-standing NAIA tradition, recognizes junior and senior student-athletes with a minimum cumulative GPA of 3.5 (on a 4.0 scale). This past year, nearly 600 NAIA student-athletes were so honored, representing 220 member institutions.

Since 1937, the NAIA has administered athletics programs and championships in proper balance with the overall collegiate educational experience. Serving higher education in this manner is a responsibility the NAIA does not take lightly. It is a relationship built on confidence and trust — a relationship strengthened year after year. The future of 65,000 young people is too important to handle any other way.

Jodi Smith

Jodi Smith begins her second year as head volleyball coach. Her first team recorded a 13-30 record. Coach Smith played high school volleyball at Lee's Summit High School. In 1987 she completed a degree at Northwest Missouri where she also competed in volleyball and earned recognition as an Honorable Mention Scholastic All-American.

Jodi and her husband, Allen, are expecting their first child this January.

1992 Season Outlook

The volleyball team looks to continue the improvement begun last year. Seven letter-winners return and will provide valuable experience. In addition to the challenge of competing in the highly rated District 16 of the NAIA, the team will face a schedule that has many key matches slated for the opponents' home court.

The volleyball team has compiled the highest team grade point average of all Avila sports teams. As of the end of the spring semester the members of the team boasted an average cumulative GPA of 3.174.

Soccer

Huw Williams

Third year soccer Head Coach Huw Williams has a national reputation for his ability to develop soccer talent. In addition to his coaching duties at Avila, Coach Williams owns and operates his own soccer camp business.

Huw earned a bachelor of arts degree from the University of Wales. Coach Williams and his wife, Nina, have two children, Nia Marie (2), and Gil (1).

Dave Morrow

Dave begins his third season at Avila College assisting Huw Williams with the soccer program. Like Huw, Dave is a native of Wales.

1992 Season Outlook

The Avila College soccer program has developed a tradition of being one of the top teams in District 16 of the NAIA. The soccer team won District Championships in 1982 and 1987. During the past ten years, the program has produced 11 NAIA All-Americans and one NAIA National Scholar Athlete. The 1991 squad was ranked nationally throughout most of the season, posting 14 wins against 6 losses and 1 tie.

The 1992 soccer team hopes to reclaim the District 16 Championship and participate in the NAIA National Championship Tournament. Achieving this will require out-performing a number of excellent teams on the schedule including nationally ranked Rockhurst and Columbia Colleges.

Women's Basketball

Jamie Collins

The women's basketball program achieves greater success each year under Head Coach Jamie Collins. As she begins her third year, she expects to see the results of two excellent recruiting classes.

Before coming to Avila, Coach Collins spent three years as an assistant coach at Rockhurst College and one year as the Girl's Head Coach at Barstow High School. She is a graduate of the University of Nebraska at Omaha.

Jim McMurray

Jim joins the program after serving the last two seasons as an assistant at William Jewell College. Before that, he was head basketball coach at St. Teresa Academy, here in Kansas City, where his teams were highly ranked in city and state polls. Jim played basketball at his alma mater, William Jewell College.

Yvette Tunley

Yvette returns for her third year as an assistant coach. She received a degree in management from Rockhurst while competing in intercollegiate basketball. Her senior year she was the Most Valuable Player. Yvette's brother plays basketball at Central Methodist College.

1992-1993 Season Outlook

From a team that finished with 8 wins and 21 losses last season, the women's basketball team returns four letter-winners who are expected to provide leadership and experience. New student athletes will add needed depth.

The schedule includes NCAA Division II Central Missouri and Missouri Southern and a strong slate of District 16 opponents including Rockhurst College.

Men's Basketball

Fred Turner

Coach Turner joined the Avila College staff in 1991 with more than 22 years of basketball coaching experience. Before coming here, Coach "T" rebuilt Fort Scott

Community College from a basketball doormat (only two winning seasons in 16 years) into a team that averaged 19 wins in his last three years.

From 1984-1986 Turner served as an assistant coach at Avila. While there, his teams finished 19-10 and 20-7, school records for most wins. Prior to coaching at Avila, Turner rebuilt two high school programs. Bishop O'Hara High School had never had a winning season before Turner led them to a top-ten state ranking four years in a row. Lee's Summit High School had only two winning seasons in 11 years prior to Coach Turner's tenure there. He developed a team that finished in the top ten in the state two years in a row, won one conference championship, and advanced as far as the Missouri State Quarter-Finals.

Coach Turner serves the college as Assistant Director of Athletics as well as Head Basketball Coach. He received his undergraduate degree from the University of Missouri-Kansas City and a masters degree from Central Missouri State University. He and his wife, Pat have two children, Roman (13) and Drew (9).

Mike Gailey

Mike has been on the Kansas City basketball scene for 20 years. Because he is familiar with high school programs on both sides of the state line, Mike will be instrumental in recruiting student athletes to Avila. His responsibilities as assistant coach include developing post play and coaching the junior varsity.

Don Earnest

Don is entering his 21st year as a basketball coach. He has a thorough knowledge of all aspects of his profession: teaching, organization, and motivation.

Don was part of the staff that led Avila to 39 wins in two years and back-to-back District 16 playoff berths during the 1984-85 and 1985-86 seasons.

In addition to serving as assistant coach for the program, Don is Director of Athletics for the Turner School District in Kansas City, Kansas. He and his wife, Jeanne, have three sons: Josh (17), Nathan (15), and Nick (13).

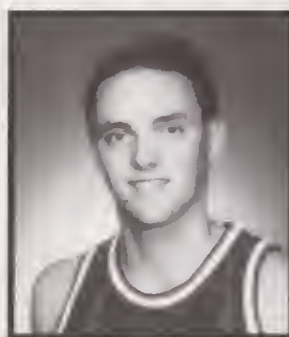

Larry Park

Larry brings a wealth of basketball coaching experience to Avila. In the past eight years he has been an assistant with winning programs at Rockhurst College, Ottawa University, and the University of Missouri-Kansas City, his alma mater, where he played point guard. His responsibilities as assistant coach will include perimeter play, recruiting, and assisting with the junior varsity program.

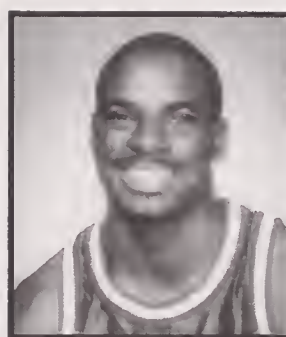

1992-1993 Season Outlook

The men's basketball program reached new heights during the 1991-92 season, not only qualifying for the District 16 playoffs, but advancing as far as the semi-finals for the first time ever. The Eagles also defeated the number two and seven ranked teams in the nation. The season also brought Avila College's second men's basketball All-American, Dennis Hallblade, and NAIA District 16 Coach of the Year honors for first-year Head Coach Fred Turner.

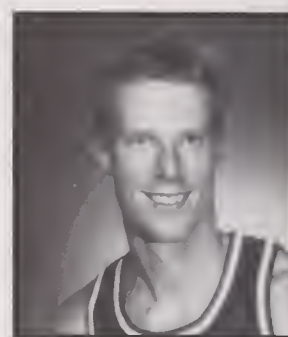

This year's team has set a goal to win District 16 and earn a berth in the NAIA National Championship Tournament.

Kathy Booe

Kathy will return for her third year as an assistant coach. She graduated from Pittsburg State University where she competed in softball for four years.

1993 Season Outlook

In 1992 the softball team advanced to the NAIA District 16 playoffs for the second year in a row while posting an 18 and 15 record. The lady Eagles' team batting average of .373 was third best in the NAIA. This year's team seeks to improve on the season record, win the NAIA District 16 championship, and participate in the National Championship Tournament.

Holly Shelby and Shannon Walter trade softballs for globes long enough to locate Europe. That's where they'll be headed this summer as members of the first NAIA All-Star Softball Team.

Baseball

Jim Huber

Head Coach Huber takes over the leadership of the baseball program after serving as the infield coach last year. Jim has been involved with baseball at various levels for more than 20 years.

This season Jim will have the privilege of coaching a left-handed pitcher by the name of Jim Huber, Jr. (21). Coach Huber and his wife, Mary Ann, have two other children, Tracy (25) and Kelly (23).

Dave Klein

This will be Assistant Coach Klein's fifth year with the baseball program. He is a professor at Kansas City Kansas Community College. Dave's baseball coaching experience includes serving as Head Coach at Kansas City Kansas Community College where he twice led the team to the NJCAA National Tournament.

George Kalaiwaa

George returns for his second year with the Eagles. Previously, Coach "K" was an assistant coach at the University of Hawaii. His duties as assistant coach will include working with the pitchers.
